IN MEMORIAM

The Town of Sandown dedicates this Town Report to a woman who was a life-long resident of Sandown. She was a 60-year member of the Grange, took active interest in the Church, and other local activities, clearly indicating deep interest in civic matters.

She held no Town Office, but ran an office for the whole Town as Postmaster for 18 years. In tribute, we dedicate this report to the memory of

LIBRARIAN'S REPORT

Sandown Public Library improvements during 1969 included painting the Library and addition of new draperies to present an attractive atmosphere for Library patrons. Two new tablet arm chairs were purchased to replace study tables removed for lack of space. The new steel desk, chair, typewriter and table all help to make a pleasant looking library. A record collection, records donated by major recording companies, has been processed for circulation and a case purchased to display them. Friends of the Library purchased another steel bookcase unit to hold the new adult Encyclopedia Americana purchased with State Grant in Aid funds. Due to curtailment of operating funds at the State level, central purchasing and central cataloging cannot be offered at this time. Book review and display meetings are still held and bookmobile and consultant service available. The most recent \$100.00 bonus or Grant in aid from the State Library is to be used to purchase reference materials.

As previously stated, we are sorely in need of more space and hope at some time to find a solution to this problem. For this reason, it was not possible to have school children visit the Library in groups as had been done until early in 1968. This fact is reflected in our circulation figures.

I would like to extend a special invitation to all our new residents to visit the Library and become acquainted with the excellent materials available for loan. Also, those of you who have not patronized the Library recently will receive a pleasant surprise if you will take a few minutes to drop in. Book purchases this past year have been concentrated mostly on fiction to provide pleasure in your leisure hours and many of the best-sellers are waiting to be read.

The Friends of the Library have provided attractive window displays and assistance in book processing.

FIRE DEPARTMENT REPORT

For the year 1969, the Fire Department had a very quiet year in regards to the number of fires that we were called to extinguish. We had four building fires, one abandoned automobile and one brush fire that was out of town. In regards to our neighboring towns, this is a very good record and is hoped that it can be bettered in 1970.

The Firemen's Association has bought and outfitted a 2,000 gallon tank truck for the Fire Department. It has proven to be very helpful at the two building fires in town. Also, the association has bought two new Scott Air Packs for the Fire Department, so we now have two units in each Engine. These items have saved the town about \$3,000.00, which means that we would have had to wait a longer period of time if we were waiting to buy them through Town funds.

Fire service training will continue to be our goal for 1970 as it was last year, but due to lack of State funds, the training was curtailed until new funds are appropriated, hopefully soon.

Again, I would personally like to thank all the people that have made the work load for the Fire Department a little easier.

A list of fires that occurred in 1969 are listed below:

March - Green's Camp
April - Love's Hen House
September - Garage and Auto
December - Tammany's Chimney Fire
December - Donnally's Flooded Cellar

Respectfully submitted,

GEORGE NEWTON
Chief, Fire Dept.

SELECTMEN'S NOTE

We feel that it would be only proper to express our thanks to Fire Chief Newton and all other members of the volunteers who have in one way or another helped, not only at emergency calls, but in maintaining and keeping the buildings and equipment in good working order for the protection and safety for the townspeople.

FIRE WARDEN'S REPORT

I wish to thank everyone for their help in keeping our fires down for the year.

We did not have any grass or brush fires for the year 1969, and only one very small dump fire.

In case of fire, call - 887-3220.

REPORT OF FOREST FIRE WARDEN & DISTRICT CHIEF

Less fortunate than our northern towns, we had too many fires. Carelessness in burning trash and discarding smoking material and children playing with fire caused most of the fires. Your Forest Fire Warden's job would be easier if everyone understood the State laws that govern the kindling of outdoor fires. A synopsis of these laws follows:

Fire Permit

A fire permit is needed for all outdoor fires in or near woodland anytime the ground is not covered with snow. This means household waste burning, even if in a barrel, grass burning, garden trash as well as brush burning in clearing operations. Such burning is restricted by regulation to be prior to 9:00 a.m. and after 5:00 p.m.

Exceptions

Commercial or industrial burning is allowed during the day with permission of the district chief and a permit from the fire warden.

Household waste burning, with a permit, is allowed on rainy days between 9:00 a.m. and 5:00 p.m.

Camp or cooking fires are allowed on your own property on notification to the warden. On another's property with written permission and notification of the warden. The warden can forbid

such fires if intended in a hazardous area. Permits for cooking fires in the White Mountain National Forest can be obtained from the Laconia Office or at the ranger stations. Permits are not required in public camp or picnic grounds where fireplaces have been built for this purpose.

Escaped Fires

If a fire escapes from your control, whether or not you have a permit, you are liable for the costs for control and extinguishment. If you start a fire illegally there is the additional chance of a fine. The landowner may also recover his loss or damages from the fire.

It is unlawful to drop or throw burning material in wooded areas.

Anyone seeing an uncontrolled and unattended forest fire is bound by statute to report it.

Penalties

1. For kindling a fire without a permit. Maximum of \$200.00 fine; or imprisonment for not more than 60 days.
2. For kindling a fire by any means willfully or recklessly that shall endanger woodlands the maximum fine is \$500.00 or one year's imprisonment.
3. For failure to totally extinguish a camp or cooking fire before leaving it the same penalties as in (1) above.
4. For dropping inflammable material in or near woodland maximum fine of \$25.00.
5. For smoking or kindling a fire in woodlands when a ban on the same has been proclaimed a maximum fine of \$25.00.
